### Motor tubular MT45 para persianas de diámetro Ø 45

Una nueva generación de motores tubulares adecuados para tubo de Ø 45 tanto en persianas como toldos, pudiéndose accionar mediante botonera, emisor de control remoto, así como un modelo con maniobra de emergencia manual.

### Tubular motor MT45 for blinds of 45mm diameter.

A new generation of tubular motors for 45 mm diameter tubes for blinds and awnings, which can be operated by a keypad or remote control, or a model with manual emergency handling.

### Moteur tubulaire MT45 pour persiennes de Ø 45 de diamètre.

Une nouvelle génération de moteurs tubulaires adaptés aux tubes de Ø 45 pour les persiennes et les stores. Il est possible de les commander à l'aide d'un clavier, un émetteur de télécommande, et il existe également un modèle de contrôle manuel en cas d'urgence.

### Dimensiones / Dimensions / Dimensions

Con estas dimensiones es el motor idóneo para instalar en persianas y toldos de uso doméstico.

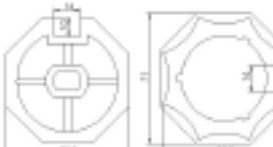

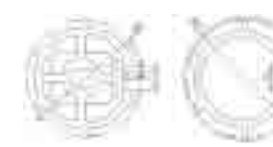

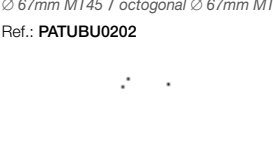

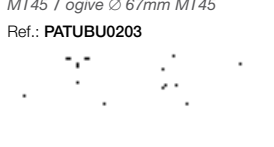

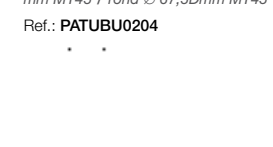

With these dimensions its the ideal motor to install for blinds and awnings for domestic use.

Ces dimensions en font le moteur parfait pour les persiennes et les stores destinés aux particuliers.
